NOTIFICATION OF CHANGE IN STATUS

Sir:

In accordance with 37 C.F.R. §1.28(b), Patentee hereby notifies the Commissioner that the subject patent is no longer believed to be entitled to small entity status. Furthermore, Patentee now believes that loss of entitlement to Small Entity status occurred subsequent to the filing of original parent application Serial No. 08/645,454 on January 24, 1991, but prior to filing of application Serial No. 08/367,881, on which the subject patent issued. Therefore, a check in the amount of two thousand six hundred and thirty dollars (\$2,630.00) is enclosed in accordance with 37 C.F.R. §1.28(c) in payment of the deficiency between the amount of fees paid in the subject application and the amount due.

Patentee also now believes that entitlement to Small Entity status lapsed prior to the filing date of priority applications Serial Nos. 08/202,878 and 08/035,507, both now abandoned. The Commissioner is authorized to charge any fee deficiencies resulting from loss of small entity status for these abandoned applications to Deposit Account No. 02-0375.
